MEDIA INFORMATION

The press box at Perry Stadium is named in honor of long-time sports information director Don Cunningham. In Oct., 1992, the University honored Cunningham for 33 years of service to the athletic department in various capacities, the most lengthy as SID (1945-65). Cunningham also attended and graduated from BGSU ('43) and following his retirement in 1979 served as the curator of the BGSU Athletic Archives. Cunningham was inducted into the CoSIDA Hall of Fame in 1981. He passed away in June of 2000. This past year the Cunningham family established a scholarship in his honor to benefit students pursuing a career in sports information.

CREDENTIALS

Requests for working press credentials should be made to the BGSU Athletic Communications Office, addressed to the attention of J.D. Campbell. Requests should be made at least one week in advance. Late requests will be honored if space is available but parking cannot be guaranteed for requests less than one week in advance. Scouts and non-working media will be seated if space is available.

WEEKLY INFORMATION

Media members can access BGSU information via the internet at www.bgsufalcons.com. This is the official website for the BGSU Athletic Department. Weekly game notes and statistics will be updated regularly. A PDF version of releases and statistics can be e-mailed to those outlets which would prefer to receive this information on a regular basis. Please notify J.D. Campbell if you would like to be put on our primary media e-mail list.

MAC TELECONFERENCE

Coach Meyer will be available each Monday during the regular season on the weekly MAC Teleconference (10:59-11:06 a.m., Eastern). The number to call to join the teleconference is 913-981-5509.

WEEKLY LUNCHEON

Coach Urban Meyer will hold a weekly media luncheon and address the media each Tuesday at noon in the third floor suites located on the east side of Perry Stadium. All members of the media are welcome to attend. Out-of-town media should contact J.D. Campbell to schedule a phone interview with Coach Meyer.

PLAYER INTERVIEWS

All interviews with members of the team should be conducted at Coach Meyer's Tuesday media lunch. Players will be made available at 12:30 and will be available to those in attendence. Please allow at least 24 hours to set up interviews with players. Arrangements will be made for telephone and in-person interviews at a time that is mutually agreeable to the reporter/broadcaster and the athlete, should there be a scheduling conflict.

POST-GAME INTERVIEWS

Coach Meyer and BGSU players, as well as the opposition coach and players, will be available for post-game interviews in a conference room located between the two lockerrooms, following the normal cooling-off period. BGSU observes a closed locker room policy. The conference room is on the east side of the stadium (opposite the press box), and can be entered through the tunnels at either the north or south end. Only people with proper credentials will be admitted.

PARKING

A special media parking lot is located adjacent to Doyt L. Perry Stadium, near the southwest corner of the stadium. Access to the media lot is by Alumni Drive which connects Mercer Road (near the Alumni Center) and Wooster Street (near the Information Booth). Admission to the media lot is restricted to people holding the correct credential acquired from the athletic communications office. All media members are asked to enter the stadium through the press gate (Gate 2) at the southwest corner of the stadium.

PRESS GATE

The press gate (Gate 2) at Doyt L. Perry Stadium is at the southwest corner of the stadium, a short walk from the media parking lot.

PHOTOGRAPHERS

Photo passes for newspaper photographers, and, under special circumstances, for free-lance photographers, are available from the athletic communications office. Photo passes entitle the photographer access to the sideline, the post-game press conference room and the press box.

PRESS BOX SERVICES

Members of the media will be provided with game programs, flip cards, current statistics and last-minute pregame notes prior to the start of the game. Statistical summaries will include play-by-play, quarter stats, halftime stats, complete team and individual stats and tackles. There are two telephones in the press box for use after the game.

RADIO & TELEVISION

Requests for permission to broadcast must be made in writing. Space will be made available for the official visiting radio station and student radio station on request. There is space in each booth for four persons. Phone lines can be ordered through Verizon (800/483-4600). Anyone wishing to televise a game from Doyt L. Perry Stadium should contact the athletic communications office at least ONE MONTH prior to the game, and preferably before the start of the season.

THIS IS BGSU

THE BIG ADVANTAGE

SMALL COLLEGE ATMOSPHERE. MAJOR UNIVERSITY OPPORTUNITY.

Bowling Green State University offers the personal attention and opportunities for involvement characteristic of a smaller school, combined with the expert faculty, premier facilities and modern resources of a major university. A residential campus, BGSU offers round-the-clock education that extends beyond the classroom. Student activities and organizations add balance to a BGSU education.

About 6,900 of BGSU's more than 19,000 students live on campus, which is known for its friendly atmosphere. That warmth, combined with several other distinctive characteristics, makes BGSU a "learning community" where students are challenged, nurtured and encouraged to be creative while achieving their full potential. The Bowling Green experience centers around five core values: respect for one another; cooperation; intellectual and spiritual growth; creative imaginings and pride in a job well done.

Of the more than 19,000 students enrolled at BGSU, more than 16,000 are undergraduate students, 10 percent come from outside the state of Ohio (including 511 from other countries) and 1,400 are students of color. Students are actively involved outside of class, participating in more than 300 student organizations or attending one of the 300 or more special events offered each month.

Fully accredited by the North Central Association of Colleges and Secondary Schools, Bowling Green State University offers more than 200 undergraduate majors and programs in seven undergraduate colleges: Arts and Sciences, Business Administration, Education and Human Development, Health and Human Services, Musical Arts, Technology, and the regional Firelands College in Huron, Ohio. Students who are undecided about a college begin their studies in Pre-Major Advising. Bowling Green also offers a challenging honors program and an extensive array of graduate programs at both the master's and doctoral levels.

About 275 BGSU students go abroad each year. Study abroad programs range from a full academic year to a few weeks and are available at 30 sites in 21 countries. BGSU also participates in the National Student Exchange Program with 170 other colleges and universities in the U.S., and the University is a "leading partner" in the Washington Center internship program which provides full-time internships and short-term academic seminars for college students in the nation's capital.

In all undergraduate colleges, BGSU students are given the opportunity for hands-on experiences that bring what they learn in the classroom "to life." Every Bowling Green student is encouraged to take advantage of at least one opportunity to gain practical experience related to his or her major.

INNOVATIVE FIRST-YEAR EXPERIENCES

From their very first day on campus, BGSU students know that the University has their future in mind. People and programs come together to help students get off to a great start and connect with their new community. Students meet new friends, discover new interests and accept new challenges. All the while, BGSU provides the support each student needs to succeed.

SPECIAL OPTIONS

UNIVERSITY SUCCESS

The name says it all. This graded class for first-year students provides a variety of experiences designed to familiarize them with all aspects of BGSU, from learning to use the library and developing study skills to personal wellness and appreciating diversity.

CAREER AND LIFE PLANNING

In this class students assess their personality, interests, values and abilities as they begin to explore the world of work and how to prepare for it. Students who take this class usually focus more quickly on the reasons to stay in college.

RESIDENTIAL LEARNING COMMUNITIES

In cooperation with academic departments, BGSU students who want to live and learn together with other students who share similar interests and goals have the opportunity to do so in one of 10 smaller academic living/learning communities.

In some communities, professors teach classes right in the residence halls, have offices there and involve students in additional creative pursuits and service beyond the classroom.

Community interests include music, health sciences, Hispanic and French language and culture, middle-childhood education, honors housing, international culture and wellness, as well as Chapman Community and IMPACT (integrating moral principles and critical thinking) which are open to all majors.

THE B!G DIFFERENCE

- In 2000-2001, about half of all first-year students participated in one of the BGSU programs designed to ease the transition into college.
- More than 900 first-year students participated in Springboard last year.
- Nearly 153 of 400 music majors at BGSU resided in Batchelder Music Community in 2000-2001.
- First-year students who enroll in Career and Life Planning are more likely to return for their sophomore year.
- More than 900 of BGSU's 18,000 main campus students enhance their educational experience within the Honors Program's supportive community environment—both in and out of the classroom.

SPRINGBOARD

A graded class of personal development seminars, Springboard pairs each student with a personal "coach" to build leadership, problem-solving and communication abilities.

EDUCATION IS EXCITEMENT

With more than 200 undergraduate majors and programs in seven undergraduate colleges, plus master's and doctoral level programs, the campus is a center for intellectual and creative activity. In and out of the classroom students are challenged to think in new ways and set high goals that will lead to ultimate success.

"MAJOR UNIVERSITY" FACULTY

Our 787 full-time faculty place teaching as a high priority, yet remain involved in research and other activities that enable them to bring the latest knowledge to their classrooms. Students can easily find their teachers before and after class, and faculty are eager to work in partnership with undergraduate students.

"SMALL COLLEGE" CLASSES

At BGSU senior faculty (assistant professors and above) are committed to teaching introductory-level courses and class sizes are reasonable. Only 25 BGSU courses are taught in lecture sessions with 100 or more students. Large lecture classes traditionally meet for small-group discussions and/or laboratories at least once a week. All in all, students find the quality academics characteristic of a major university combined with the personal attention traditionally available at a small college—an ideal mix for success.

THE B!G DIFFERENCE

- 20 to 1 student to faculty ratio
- Ninety percent of the full-time faculty have the highest degree in their field.
- Nearly 79 percent of 100- and 200-level classes were taught by full- or part-time faculty; 21 percent were taught by graduate assistants.
- Eighty-nine percent of all freshman-level classes had fewer than 50 students and 55 percent had fewer than 25 students.
- Only 25 BGSU courses are taught in lecture sessions with 100 or more students.

THE RESIDENTIAL ADVANTAGE

Living on campus is a big part of a BGSU education—so big that freshmen and sophomores are required to live in University housing unless they commute from home.

The residence halls are small communities, just minutes away from classes, dining centers, the library, Student Recreation Center and downtown. They're places where students learn to appreciate the diversity of the campus and have opportunities to become involved in programs that will develop their leadership abilities. Research shows that students who live in the residence hall their first year as a college student are more likely to earn higher grades and graduate! And, those who live on campus at BGSU meet people who become their friends for life.

CHOICES, CHOICES, CHOICES

BGSU offers a variety of living choices, from newly renovated halls that feature food-court dining to air-conditioned suites that are popular with junior and senior students. Some halls have "theme floors" for students who share common interests (music, health sciences, honors, cultural diversity). All provide a smoke-free environment. No rooms house more than two students.

WE DO THE DISHES!

Everyone loves our award-winning dining services. Traditional dining centers, snack bars, delicatessens, food courts and convenience stores offer a variety of foods. Each semester students purchase a meal plan that will provide the amount of food to fit their individual lifestyle.

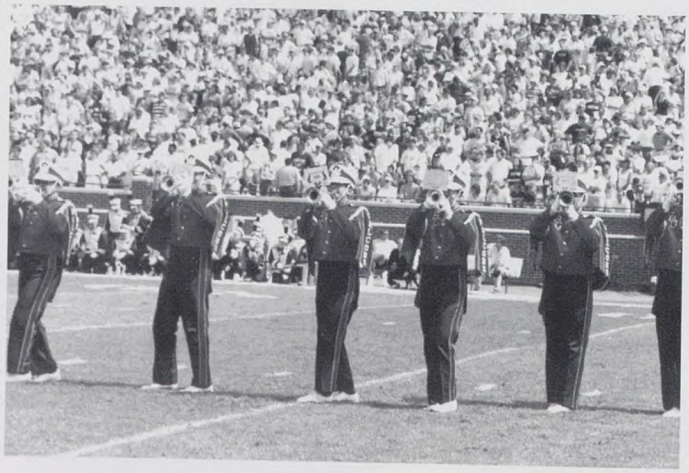
THE COMMUTER CONNECTION

Approximately 11,000 of BGSU's 18,000 main campus students choose to commute to the University. Nearly 7,000 travel from their residences in dozens of northwest Ohio communities and another 4,000 from apartments and homes throughout the city of Bowling Green.

Commuter students enjoy several distinct advantages, including a centrally located student center, convenient highway access to the campus and a free, reliable shuttle service.

SAFETY IS OUR PRIORITY

BGSU is located in a classic college town, away from large urban areas. The Department of Public Safety provides round-the-clock police protection and sponsors many crime prevention programs. A Campus Escort Service, University shuttle, sophisticated outdoor lighting system, 911 telephone system and outdoor emergency telephones combine to provide an environment that feels safe and secure. All residence halls have electronic door access security systems and are staffed during late-night hours.



THE B!G DIFFERENCE

- Nearly 7,000 students live in 15 residence halls and 31 houses (the houses are reserved primarily for fraternities and sororities).
- University Dining Services operates four dining centers, four snack bars, a deli, two convenience stores and two restaurants.
- Selected dining areas are open daily 7 a.m. to 3 a.m.
- All BGSU residences are equipped with an electronic door access system for safety.

ACHIEVING A BALANCE

Classes are a large part of a BGSU education, but the University has much more to offer. Getting involved in student organizations and other activities adds balance to the BGSU experience. Plus, studies show that students who are involved in campus activities are more likely to graduate! What do students join? There are more possibilities than you could imagine—student-run groups, athletics and student government, community service and cultural activities are just a few.

INVOLVEMENT EQUALS SUCCESS

Two of three BGSU students say campus involvement contributes to their success at BGSU. Involvement gives students the opportunity to develop leadership skills, meet new people, help others through community service and develop values that extend throughout their lifetime. Most BGSU students are active

in an average of four activities. First-year students are encouraged to get involved in at least one organization while they establish themselves academically.

SAVOR THE CULTURE

Music. Theater. Art. Dance. BGSU has it all. The University offers more than 400 cultural events each year, ranging from star-studded concert series to student productions. The Moore Musical Arts Center, with its two major performance halls, and the Fine Arts Center, with two exhibition galleries and spacious, well-equipped studios are among the finest facilities for the fine and performing arts in the country.

LEAP INTO ACTION

Action-packed. That's the way students describe BGSU's recreational sports program. The Student Recreation Center and Perry Fieldhouse offer indoor running tracks and swimming pools, basketball courts, weight rooms and a 70-yard football field covered with artificial turf. BGSU also has an ice arena, tennis courts and an 18-hole golf course. Those who enjoy the challenge of outdoor sports can participate in off-campus adventures ranging from rock-climbing and kayaking to backpacking, whitewater rafting and downhill skiing.

Students also flock to Falcon athletic events where they experience thrilling competition with 22 NCAA Division I intercollegiate athletic teams for men and women.

THE B!G DIFFERENCE

- BGSU has more than 300 student organizations.
- Sixty-five percent of BGSU students get involved in an out-of-classroom activity during their freshman year.
- More than 300 events are offered each month—check out the online calendar of events events.bgsu.edu
- Two thousand students are members of 37 fraternities and sororities.
- BGSU students participate in 55 intramural sports and 18 sport clubs.
- Twenty-two teams compete in NCAA Division I athletics.

STUDENT ATHLETE SERVICES

The Office of Student Athlete Services is one that all student-athletes become quite familiar with upon their arrival on campus. While all student-athletes have faculty advisors, the staff assists with the special needs of student-athletes given the constraints placed on their time due to travel and practice schedules.

This office continually monitors the eligibility of student-athletes by assessing and evaluating each individual record to ensure that the student-athlete meets all NCAA, MAC, and University rules and regulations as they relate to the academic satisfactory progress of the student-athlete. Student Athlete Services is in constant communication with faculty and faculty advisers via written progress reports, individual meetings, and by telephone to make certain that student-athletes are progressing toward a timely graduation.

Led by Dr. Darren Hamilton, Student Athlete Services also assists student-athletes in the class-scheduling process and coordinates study sessions for student-athletes. These study sessions may involve tutors, math labs, writing labs, mentor groups or team-required study tables.

In addition, Student Athlete Services works closely with the Student Financial Aid staff to assist student-athletes who need support through personal, state, and federal loans and coordinates the Falcon Quest program.

THE BIG DIFFERENCE

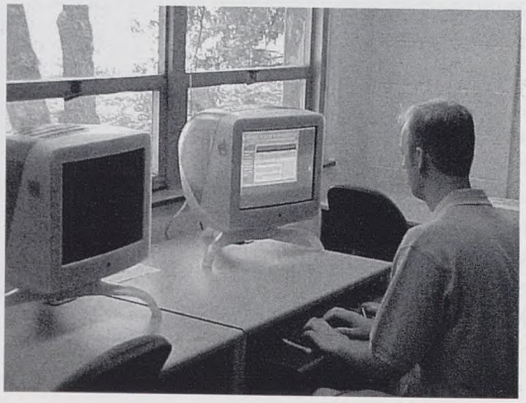
- Home of the top student-athletes in the MAC having earned the Central Reserve Life Award in its first two years of existence.
- Home of a football program that has been honored each of the last five years by the American Football Coaches Association for its graduation rate.
- Computer lab with state-of-the-art equipment for the exclusive use of student-athletes
- Sixteen GTE/CoSIDA Academic All-District honorees since 1999.
- Three student-athletes named GTE Academic All-America since 1999.
- 29 Academic All-America student-athletes since 1990.
- A spring 2001 2.98 cumulative GPA for student-athletes, the highest in school history
- Eighty-five student-athletes with a 3.5 or better in spring 2001
- BGSU was one of 46 pilot institutions selected by the NCAA to participate in its Lifeskills Program for total development of the student-athlete.
- BGSU has the top graduation rate for its student-athletes among MAC schools at 71 percent.
- BGSU saw 204 of its student-athletes earn a 3.0 GPA or better in the spring of 2001.

FALCON QUEST

BGSU is dedicated to the education of its student-athletes not only in the classroom or on the field of play, but in the "real world" as well. For this reason, a special program was developed in the Athletic Department called Falcon Quest.

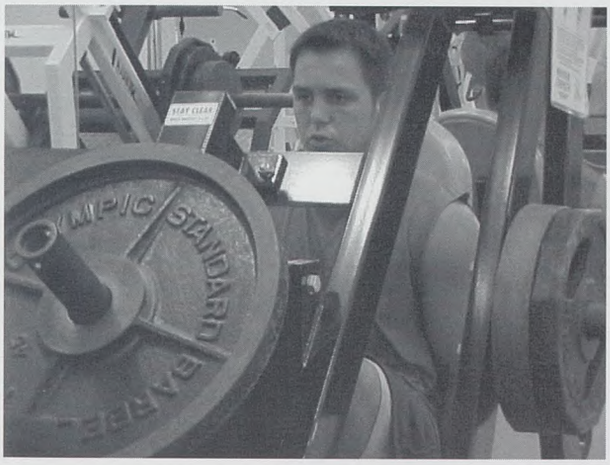
As part of Falcon Quest, each of the 22 varsity sports teams is required to undertake at least one community service project every year. These projects range from volunteering at the Special Olympics events held on the BGSU campus to visiting residents at the local nursing homes and participating in the Big Brothers and Big Sisters Bowl-A-Thon.

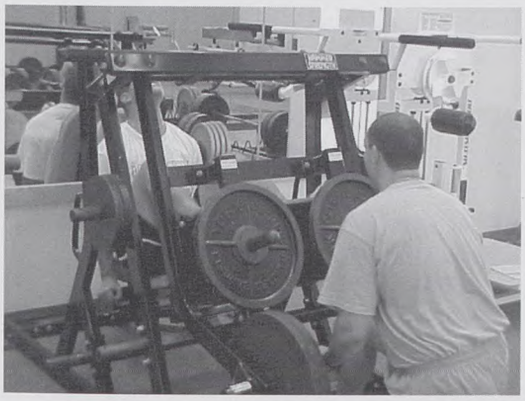
The Falcon Quest program also gives individual student-athletes an opportunity to become more involved in the community through public speaking engagements, mentoring of younger student-athletes and children, and other community service events.



BGSU FITNESS CENTER

A $300,000 and 5,800 square-foot facility, the BGSU Fitness Center is conveniently located on the ground level of the west side of Doyt Perry Stadium. The facility opened in 1988.





CHARLES E. PERRY FIELDHOUSE

This $8.7 million and 125,000-square foot facility opened its doors in January of 1993. It has two wings, a turf area and a track area. The Jack Gregory Turf Room, named after the former BGSU Athletic Director, is a regulation width football field that measures 90 yards in length. The ceiling is 50 feet high at its peak. These dimensions allow for a full practice during inclement weather. The track area includes a 200-m track and the appropriate high jump, long jump, and pole vault areas. The facility is used for classes, intramurals, and team practices.

DOYT PERRY STADIUM PRACTICE FIELDS

With plenty of land surrounding Doyt Perry Stadium, BGSU has three full outdoor practice fields. These practice fields are maintained almost as meticulously as the impeccable game field, allowing for game-like conditions and greater ease breaking down into offensive, defensive and special teams drills.

HEAD COACH URBAN MEYER

Urban Meyer, a native Ohioan, is in his first year as the 15th head football coach in Bowling Green State University history.

"We are excited to welcome Urban and his family to BGSU," said Director of Athletics Paul Krebs at the time of Meyer's hiring. "He is highly regarded by everyone he has worked with and is viewed as one of the top coaching prospects in the country. I was extremely impressed by his organizational skills and vision for the future of our program."

Meyer, who had been the receivers coach for the Fighting Irish since 1996, replaced Gary Blackney, who resigned after coaching the Falcons for 10 seasons.

"Growing up in the state of Ohio, you know that Bowling Green has a great reputation as a University," said Meyer. "It is my goal to add to the great tradition of its football program and do so with the best interests of the student-athlete in mind."

AN IMPRESSIVE BACKGROUND

In 2000, Notre Dame ranked among the nation's leaders in passing efficiency, committed the fewest turnovers in the nation and earned a BCS berth in the Fiesta Bowl. In addition, they boasted one of the top special teams units in the country - ranking third in kickoff returns, 10th in net punting and 12th in punt returns. The 1999 season saw Meyer's receiving corps break the Irish single-season record for pass receptions with 192 and total receiving yards with 2,858.

During 1998, Meyer coached split end Malcolm Johnson, who ended his career with 110 receptions, the seventh-highest total in school history. Johnson is now with the New York Jets. The previous year, Meyer coached Johnson and fellow receiver Bobby Brown as they became the first Irish pair of players to record 40 or more receptions individually in a season. Brown made 45 catches and Johnson had 42. In addition, the Notre Dame receivers helped set a then-single-season school record with 190 receptions.

In 1996, he coached a youthful Irish receiving corps and helped integrate those players with veteran quarterback Ron Powlus to contribute to a Notre Dame attack that produced the third-highest figures for total offense and scoring in Irish history.

Prior to heading to Notre Dame, Meyer coached at Colorado State from 1990-95. He helped the Rams to the 1994 Western Athletic Conference title and to Holiday Bowl appearances following both the 1994 (10-2 final record) and 1995 seasons (8-4). Colorado State finished 16th in the final Associated Press poll in '94.

In 1992, Meyer coached wide receiver Greg Primus, an All-WAC pick who finished as Colorado State's all-time leading receiver and ended up with 192 career catches for 3,200 yards. That latter total ranked 10th on the NCAA's all-time yardage list. Meyer also helped Colorado State to the Freedom Bowl title following the 1990 season.

Meyer spent two seasons at Illinois State, coaching quarterbacks and receivers in 1989 and outside linebackers in 1988. He worked as receiver coach at Ohio State in 1987 and helped the Buckeyes to a Cotton Bowl win following the '86 campaign when he coached tight ends.

MEYER'S MENTORS

Meyer has worked for a number of the top head coaches in the country including Earle Bruce, Lou Holtz, Sonny Lubick and Bob Davie.

HIS RESPONSIBILITIES

During his time at Notre Dame, Meyer had served as special teams coordinator and developed and installed the Irish passing game. In addition, he has heavily recruited in areas such as Ohio, Florida, south Georgia, New Jersey, New York, and Pennsylvania.

A STRONG OHIO BACKGROUND

A 13th-round pick in the amateur baseball draft in 1982, Meyer played two years in the Atlanta Braves organization. He played as a defensive back at the University of Cincinnati before earning his degree in psychology in 1986. Meyer went on to earn a master's degree in sports administration from Ohio State in 1988.

Meyer was born July 10, 1964. He and his wife, Shelley, are parents of two daughters, Nicole and Gigi, and a son, Nathan. Meyer is a native of Ashtabula, Ohio, where he graduated from St. John High School.

Coach Meyer and athletic director Paul Krebs (far left) meet with friends of the program Bob and Karen Sebo.

WHAT THEY SAY ABOUT URBAN MEYER

NOTRE DAME FOOTBALL COACH BOB DAVIE

"Anyone who has been around Urban Meyer understood it was just a question of time before he became a head coach. He has all the qualities you would want – a great feel for the game, a way of communicating with athletes and a great way with people in general. He has great confidence in his abilities, and he brings out that quality in those around him. He's an Ohio native, he played college football in Ohio, he's coached in Ohio, so he'll have a great feel for what Bowling Green is all about."

SOUTH CAROLINA FOOTBALL COACH LOU HOLTZ

"Urban Meyer is an outstanding football coach and an even more outstanding person. He is truly a players' coach. Bowling Green is fortunate to have a coach the caliber of Urban Meyer, and I believe that Urban will do an outstanding job with that program."

COLORADO STATE FOOTBALL COACH SONNY LUBICK

"Urban is an ambitious and hard working coach. This position is well deserved for a highly motivated, intelligent football coach. We all miss him and wish him the best."

NOTRE DAME ATHLETIC DIRECTOR KEVIN WHITE

"In the short time I've been at Notre Dame, I've been extremely impressed with Urban Meyer. Urban is highly task-oriented, intense, empathetic and situationally flexible. He also has a tremendous grasp of the game, and possesses a great instinct for what it takes to be successful. I've really enjoyed watching his relationship with our players, wherein it is very obvious they have a great deal of respect for his inordinate abilities. To be sure, he'll be a very effective recruiter because he has a presence and a confidence about him that will pay great dividends for Bowling Green."

RECRUITING ANALYST TOM LEMMING

"In terms of recruiting, Urban Meyer is probably one of the best up-and-coming coaches in the nation. He was one of Notre Dame's top two recruiters, and he has a great reputation in such states as Florida and Ohio. Again, I consider him one of the top young up-and-coming coaches in the country."

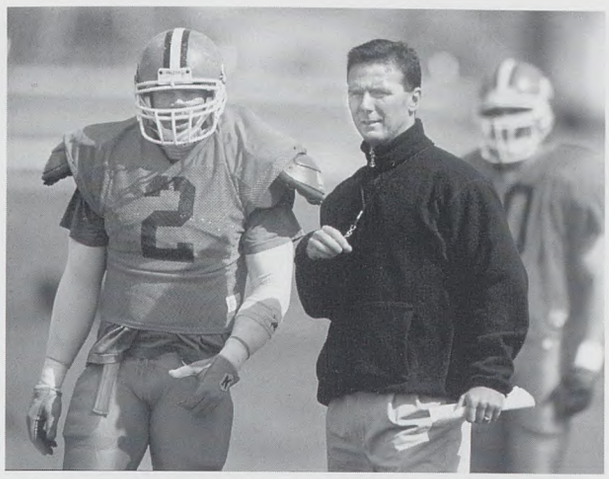
BGSU PRESIDENT DR. SIDNEY A. RIBEAU

"What I want to see on the football field is excitement. But also the intensity and desire. Never giving up – win, lose, or draw. From everything we have heard, Urban can bring that to the program."

BGSU ATHLETIC DIRECTOR PAUL KREBS

"I think he is one of the best young coaches in America. Urban has a way with people. He has a way of getting people motivated and getting things done. He is relentless."

Coach Meyer was introduced as the 15th head football coach at Bowling Green State University on December 4, 2000.



Q AND A WITH URBAN MEYER

Soon after his hiring at Bowling Green, head coach Urban Meyer sat down and shared his thoughts on numerous subjects regarding the University, the city and the football program

What attracted you to BGSU?

"A number of great coaches have been associated with the BGSU program, and that has helped establish a long-standing tradition of excellence."

"The campus is beautiful and safe, and the community is close enough to major cities, allowing someone to enjoy the best of two worlds."

"The people to whom I have spoken and have a great deal of respect for believe this is a good situation. Bowling Green has name recognition in significant circles and that makes it an easier sell to high school coaches and the student-athletes they teach."

What characteristics can people expect to see from those involved in your program?

"Loyalty to the University and the administration is the one component necessary to preserve a successful football program."

"All areas associated with the program must share common goals of winning, developing student-athletes, and running a first-class operation."

What are qualities that are desirable in putting together a coaching staff?

"I want coaches who are great teachers. I want leaders who are honest and have great character. I want to work with people who are confident and who love the game of football."

"A coach must work with and get along with all types of personalities. I'm looking for outstanding recruiters who have a burning desire to be great at everything they do."

What is your offensive philosophy?

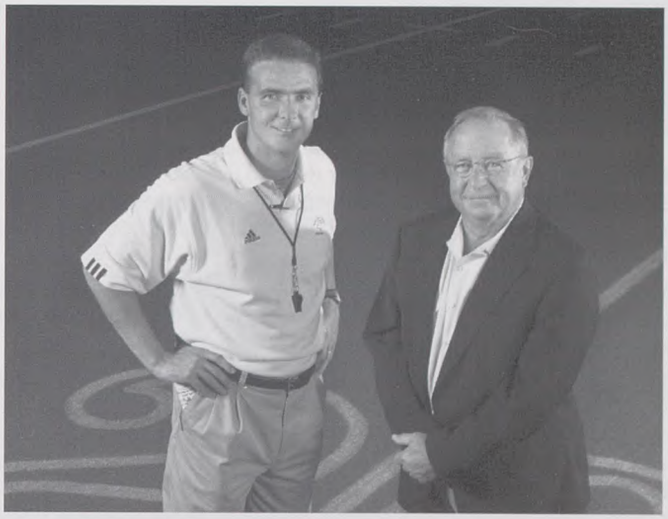
"We want to force the opponent to defend the entire field using spread formations. We will run a multiple offense that will take great pride in being fundamentally sound and aggressive."

"We will strive to have the fewest penalties in the conference and our top priority will be to take care of the football and keep our quarterback out of situations where turnovers occur."

How do you think this program can be successful each week?

"The great teams are the ones who excel in all three areas of the game: offense, defense and special teams. Some games we will excel in one area or the other, and we have to understand that it is a team game."

"The one phase of the game we must win each week is the kicking game. This phase is won primarily with desire, organization and concentration."



Earle Bruce (right) is one of the many long-time mentors who have influenced Coach Meyer.

GREGG BRANDON

ASSISTANT HEAD COACH
OFFENSIVE COORDINATOR

Gregg Brandon joins the Falcons after spending the past two seasons at Colorado, where he was the team's passing game and recruiting coordinator, last season. In addition to his role as assistant head coach and offensive coordinator, he will coach the team's running backs.

At CU, Brandon coached the receivers and kickoff return unit, and coordinated recruiting in his first season in Boulder in 1999.

He was named passing game coordinator for the Buffs prior to spring practice in 2000, assuming those duties and handed over the recruiting organizational chores to the coordinator of football operations.

Brandon, 45, played football for Colorado coach Gary Barnett at Air Academy High School in Colorado Springs, and stayed in close touch with him throughout the years. When Barnett was hired as head coach at Northwestern in 1992, he joined the Wildcat staff as receivers coach.

Brandon was also Northwestern's recruiting coordinator for his last two seasons there (1997-98). In his seven seasons at Northwestern, Brandon assembled an extremely talented group of receivers, including D'Wayne Bates, the second all-time leading receiver in Big Ten history. Bates was a semifinalist for the Biletnikoff Award and an All-America candidate.

Brandon played collegiately as both a defensive back and wide receiver at Mesa State (1974) and Northern Colorado (1975-77). He graduated from UNC in 1978 with a bachelor's degree in education, and began his coaching career that fall as head football coach at Ellicott (Colo.) High School. He spent three seasons there (1978-80) before joining the college ranks at Weber State, where he would coach the next six seasons (1981-86).

At WSU, he coached the tight ends and special teams in his first four seasons, the linebackers in his fifth year and the receivers and tight ends during his final year in Ogden.

Brandon was then named receivers coach at Wyoming, where he would work the next four years (1987-90). During his tenure with head coach Paul Roach, the Cowboys posted a 35-15 record, including a 16-0 run in Western Athletic Conference play in 1987 and 1988, and played in three bowls ('87 and '88 Holiday and '90 Copper). In 1991, he returned to Utah where he coached the linebackers for one season (1991) at Utah State. He was born Feb. 29, 1956 in Tucson, Ariz., and is married to the former Robyn Mitchell. They are the parents of two sons, Nicholas (17) and Timothy (9).

TIM BECKMAN

DEFENSIVE COORDINATOR/SAFETIES

Tim Beckman, 35, joined the program in March, 1998, as the coach of the secondary, but he took over in 1999 as the defensive coordinator while also remaining the recruiting coordinator. In 2000, he was responsible for guiding a defense which finished fourth in the conference in total defense and rushing defense, and second in sacks.

Prior to his appointment at BGSU, the Berea, Ohio native spent two seasons at Elon College in North Carolina as the defensive coordinator and defensive backs coach.

The previous six years he was the secondary coach and recruiting coordinator at Western Carolina. While at WCU, he helped in the development of Willie Williams, who was a sixth-round pick of the Pittsburgh Steelers and led the AFC in interceptions in 1995.

The Catamounts finished second in the Southern Conference in both 1992 and 1993.

Beckman began his coaching career as a graduate assistant at Auburn in 1988 and 1989. In his two years there, the Tigers earned back-to-back top-10 national rankings and bowl berths as Southeastern Conference champions.

He assisted with the defensive backs at Auburn while earning his master's degree in education.

A 1988 graduate of the University of Findlay, Beckman majored in physical education and lettered in 1984 and 1985 on Oiler teams which qualified for the NAIA national playoffs both seasons.

He attended Forest Park High School in Beaumont, Texas for two years before completing high school at Berea High School.

Born January 19, 1965, he and his wife, Kimberly, have three children, Tyler, 10, Lindsay, 8, and Alex, 4.

His father, Dave, coached on the collegiate level and served as head coach of the Hamilton Tiger-Cats of the Canadian Football League for one season. He also worked for the Cleveland Browns and the San Diego Chargers in the NFL.

JOHN BOWERS

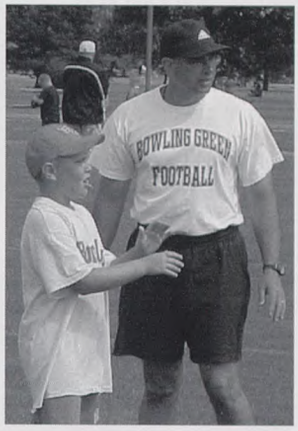
LINEBACKERS / RECRUITING COORDINATOR

John Bowers, a 20-year veteran of the coaching profession, is in his first year with the Falcons. He comes to BGSU from Stow High School where he served as defensive coordinator the last two years.

Bowers has experience in the MAC serving on staffs at Eastern Michigan (1998 and 1993-94) and Kent State (1997), serving as the defensive coordinator at the latter school.

In 1996 at Eastern Illinois, Bowers helped direct a defense that ranked 11th in the nation overall and seventh against the rush. The Panthers had a two-year record of 18-6 and the 1995 squad won the Gateway Conference championship.

He began his coaching career at James Madison, his alma mater, as a football graduate assistant coach from 1979-80. Bowers became an assistant football coach at Washington & Lee for one season, 1981, and then spent two years as an assistant at Shepherd.



Bowers moved on to Austin Peay as an assistant coach from 1984-87 before joining Illinois State as assistant from 1988-92.

A native of Hagerstown, Md., Bowers graduated from JMU in 1979 after competing in football and baseball. He was the football team's offensive most valuable player and captain twice, in both 1977 and 1978 and also earned his master's degree in education in 1980.

Born June 1, 1957, Bowers and his wife, Joanne, have two sons, David (18) and Ross (4).

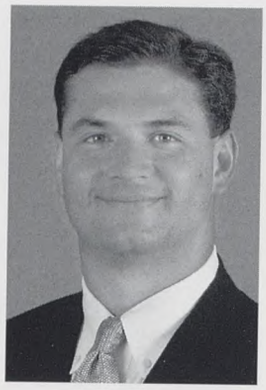
BILLY GONZALES

WIDE RECEIVERS



Billy Gonzales joined the BGSU staff in June after spending six years as an assistant coach at Kent State. With the Golden Flashes, he spent three years in charge of the wide receivers. In 1997 he coached the running backs after serving as an offensive graduate assistant for two years.

Before coming to Kent State, Gonzales coached wide receivers at Midwestern State University in Wichita Falls, Texas. Prior to that he spent the fall of 1994 at MacMurray College in Jacksonville, Ill., coaching the receivers.

Gonzales is a 1994 graduate of Colorado State University. He earned four letters with the Rams as a wide receiver and kickoff/punt returner.

A native of Thornton, Colo., Gonzales was a two-sport letterwinner at Thornton High School. He helped lead his prep team to an 11-1 record and a number-two ranking in the state as a senior and earned honorable mention All-American honors by Street & Smith's. Gonzales earned all-state honors in both football and basketball.

BGSU has finished either first or second in the conference standings in 21 of their previous 49 seasons in the league.

CLOSE CALLS

The Falcons led in the fourth quarter in every MAC East Division game last season. BGSU had seven chances inside the five to take a lead against Akron, and the Falcons missed a potential go-ahead field goal against Ohio.

The Falcons held MAC opponents to just 125.5 rushing yards per game, despite allowing a season-high 277 rushing yards to Ohio, and 275 more yards to Toledo, in the final two games of the season. Prior to the Ohio contest, BGSU was allowing just 75.3 rushing yards per game against conference foes.

David Bautista caught 69 passes, the second-highest seasonal total in school history.

A few of the close calls in 2000 games...

at Buffalo (Sept. 23): The Falcons lead, 17-13, with 3:31 remaining, when the Bulls march 80 yards on seven plays and score on a 27-yard run by Marquis Dwarte with 1:27 to go for the win.

at Kent State (Sept. 30): The Falcons take an 18-3 lead after a 45-yard TD run by **Andy Sahm** ... **Janssen Patton** picks off two passes in the final quarter, the last in the end zone, to give BGSU its first win of the season.

MU wins the contest 1:09 later when Maurice Hines returns a punt 60 yards for a TD.

Ohio (Nov. 11): With the game tied at 21, a BGSU blocker slips, allowing Matt Weikert to charge in untouched and block a punt out of the end zone ... the Falcons miss a 40-yard field goal attempt into the wind with under three minutes to go.

DEFENSE KEY TO FALCON SUCCESS

The Falcon defensive unit finished fourth in the MAC allowing 351.9 yards per game. BGSU also finished fourth in the league in rush defense allowing 132.3 yards per game.

The Falcons had 30 sacks last season after having 16 in all of 1999. That mark was the second-best in the MAC. The Falcons 11 interceptions eclipsed the team total of three from 1999.

Twice last season, the Falcon defense did not allow a touchdown and the result was a BGSU victory. The Falcons did not allow an offensive touchdown against Kent State or Eastern Michigan.

D. J. Owchar (88), Brandon Hicks (92), Geno Burden (33) and Ryan Wingrove (90) give the Falcons an expereinced defensive unit.

THE FALCON OFFENSE

QUARTERBACK

Andy Sahm (6-6, 220, r-Jr.) or

Josh Harris (6-3, 205, So.)

David Azzi (6-2, 195, r-Fr.)

QUOTING COACH MEYER: "I think the quarterbacks made vast improvement during the course of the spring. Andy Sahm has done the best job of learning the offense and made some big plays for us in the spring. Josh Harris is a tremendous talent who needs to improve on his consistency. When that happens, he can be a big-time playmaker. David Azzi is extremely confident and is someone who will have an impact at BGSU."

Coach Urban Meyer believes that all three players have the capability of leading the Falcon offensive attack.

Junior **Andy Sahm's** streak of 17 consecutive starts ended when he sat out the final game against Toledo due to injury. He completed 123 passes for 1,490 yards and eight TD's in 10 games. He also hit on 50.4 percent of his passing attempts. Sahm, a drop-back passer, is an outstanding leader who, with proper protection, displays an accurate and strong arm.

Sophomore **Josh Harris,** a true freshman last season, peeled his redshirt off when the Falcons entered the Akron game with only one healthy running back. He returned three kicks for 75 yards in that game, including a Falcon season-best 39-yard return. He started the next game, at Miami, at the tailback position. Against the RedHawks, he carried the ball 18 times for 103 yards and completed one pass for six yards. He ended the year ranked second on the team in rushing with 243 yards. A playmaker, Harris will be counted on to mature and improve as a passer.

Redshirt freshman **David Azzi** has impressed the Falcon coaching staff with his work ethic and athletic ability. If either of the above slip, look for the native of Canada to see playing time.

SPRING GAME HIGHLIGHTS: Sahm completed 13 of 25 passes for 185 yards and two TDs ... Harris rushed for 133 yards on six carries scoring on runs of 65 and 55 yards ... he completed five of 14 passes for 44 yards and was picked off twice ... Azzi was three of five for 30 yards passing and rushed for seven yards.

Junior Andy Sahm (15) has started all but one game at quarterback since early in the 1999 season.

RUNNING BACK

Godfrey Lewis (5-9, 190, r-Jr.)
Joe Alls (5-10, 190, r-Jr.)
Todd DiBacco (6-1, 225, r-Fr.)
John Gibson (5-10, 220, 5-Sr.)

QUOTING COACH MEYER: "It is our goal to have a 1,200-yard rusher in our offensive system. Godfrey Lewis had a great spring and we were pleased with his performance in the spring game. Joe Alls is another guy who could really help us. Todd DiBacco opened some eyes during the spring as well. John Gibson needs to be healthy to be effective for us."

The Falcons have an experienced trio for the one-back offense and a redshirt freshman who is coming off an impressive spring.

Junior **Godfrey Lewis** suffered a knee injury in the second game of last season and was granted a medical redshirt. Lewis, with two years of eligibility remaining, has rushed for 1,284 yards in his career to date, and has averaged four yards per carry.

Junior **Joe Alls** also battled health issues in 2000. He will look to return to the form which saw him rush for 592 yards and average five yards per carry as a freshman in 1999.

Senior **John Gibson** is back after leading the team in rushing in 2000. He gained 514 yards and rushed for four TDs as a junior.

Redshirt freshman **Todd DiBacco** rushed for more than 4,000 yards as a prep and will challenge for playing time.

SPRING GAME HIGHLIGHTS: Lewis rushed for 80 yards on 10 carries, including a 53-yard TD ... Alls carried the ball four times for 12 yards.

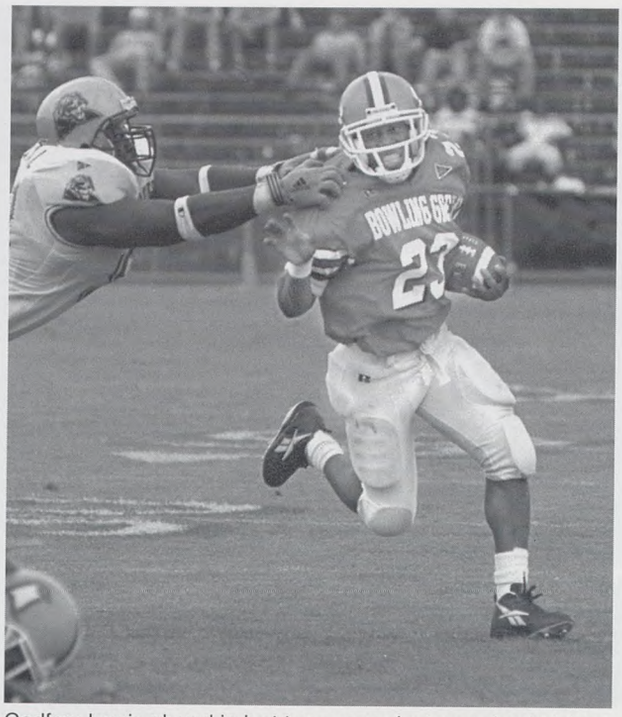
TIGHT END

Jason Van Dam (6-6, 260, r-So.)
D'Monn Baker (6-4, 260, r-So.)
Craig Jarrett (6-2, 230, r-So.)
Ross Durham (6-6, 260, r-Jr.)

QUOTING COACH MEYER: "This group will play an important role for us. They have done a good job of learning the offense, but need to improve as receivers. They have ability, but not much experience."

Sophomore **Jason Van Dam** started five games last season and was third on the team with 12 catches for 174 yards and two TDs. Sophomore **D'Monn Baker** received a lot of repetitions during the spring and is a big target.

Sophomore **Craig Jarrett** has moved from the fullback position. He averaged 4.7 yards per rush last year. Junior **Ross Durham** caught three passes for 25 yards and has 10 career starts.



Godfrey Lewis played in just two games last year due to injury. He was granted a medical redshirt. Lewis, with 1,284 yards in his BG career to date, has two years of eligibility remaining.

Right Tackle
Malcolm Robinson (6-4, 290, 5-Sr.)
Mike Bodnar (6-3, 290, 5-Sr.)
Andy Wenstrup (6-5, 255, r-Fr.)

QUOTING COACH MEYER:

"Our offensive line made great improvement during spring drills. We need to develop some depth. I expect our offensive line to develop into one of the more physical groups in the conference."

Fifth-year senior **Malcolm Robinson** started every game at right tackle in 2000, after moving across the ball from the defensive line. Redshirt junior **Dennis Wendel** started five games at left guard last season. He will replace the departed Rob Fehrman, who signed with the Pittsburgh Steelers after starting all four years at left tackle. Senior **Mike Bodnar**, sophomore **Beau Carmon** and redshirt freshman **Andy Wenstrup** are challenging for playing time. Bodnar has started six games in his career.

Junior **Jon Mazur** started every game for the Falcons last season. Mazur, who started four contests at center and seven at left guard, has the inside track at the center spot. He is backed up by sophomore **James Williams** and sophomore **Frank Kaiser**.

A knee injury in spring practice to junior guard **Greg Kupke** will give an opportunity to two redshirt freshmen to earn a starting spot. **Andrew Hart** will likely start on the right side, while **Scott Mruczkowski** will get the call on the left side. Junior **Ryan Yeager** and sophomore **Ryan Lucas** will provide depth.

WIDE RECEIVER

H

Cleon Ghant (6-2, 185, r-Sr.)

Cornelius McGrady (6-3, 194, r-Fr.)

QUOTING COACH MEYER: "The receiver position was an area of concern after spring practice. Kurt (Gerling) and Aaron (Alexander) will play significant roles on this team along with Robert (Redd) and David (Bautista). We have some talented individuals and we need to stay healthy. This is a position where we need to develop depth, a lot like the offensive line."

This group figures to be in the spotlight with the Falcons' new offensive scheme. A key element to success for the 2001 season will be if seniors **Kurt Gerling** and **Aaron Alexander** can overcome injuries which have plagued them over the past season. Gerling, who has caught a pass in 29 straight games (sixth longest streak in the country), underwent knee surgery in April and hopes to return early in the season. He ranks eighth all-time at BGSU in receptions with 116 and seventh in yardage at 1,755. Gerling missed four games with a broken collarbone in 2000. Alexander will be looking to return to the form which saw him catch 35 passes for 462 yards in 1999.

Kurt Gerling has caught a pass in each of his first 29 games as a collegian. He missed four games due to injury last season.

Senior **Cleon Ghant**, junior **Darnell Bond-Awls,** sophomore **Austin Holman** and freshman **Kevin Poindexter** will have an opportunity to see increased playing time.

QUOTING COACH MEYER: "This is a talented group of players. They need to play up to their potential each week. We are counting on them to be the strength of our defense. Hicks, Wingrove, and Glantzis have the ability to be all-conference players. Owchar needs to become a playmaker, and we need to develop some depth here as well."

Senior nose tackle **Brandon Hicks** finished among the conference leaders in sacks (eight) and in tackles for a loss (13). He also had two blocked kicks, a pass deflection, a forced fumble, a fumble recovery and two QB hurries, totalling 47 tackles. Hicks was named first-team All-MAC by *The Sporting News* and was a second-team choice by the conference coaches.

Junior defensive tackle **D.J. Owchar** had 27 tackles, 2.5 sacks, four pass deflections and four QB hurries. Senior defensive end **Ryan Wingrove** was second on the team with 13 tackles for a loss and 5.5 sacks. He also had 35 tackles. THE MID-AMERICAN CONFERENCE

In its 55th year of existence, the Mid-American Conference has grown and developed into one of the most aggressive and progressive conferences in the country.

The MAC continues to lead by example to provide its student-athletes and the member institutions with the best possible opportunities.

Since 1946, the MAC has not only stood the test of time, but has flourished into forming a league that its founders could not have imagined or dreamed of.

Based in Cleveland since July 1999 following a 15-year stay in Toledo, Ohio, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC strengthened admittance standards, established an academic progress rule and set increased grade-point-average requirements long before the NCAA adopted or discussed implementing such academic standards.

Under the direction of Rick Chryst, the seventh commissioner in the history of the MAC, the Mid-American Conference is coming off one of the most productive years both on and off the playing fields.

This past spring, the MAC guaranteed for the first time in the league's storied history that a second football team will attend a post-season bowl game. Starting in 2001, the MAC will send a representative to the GMAC Bowl in Mobile, Ala., in addition to a team attending the Motor City Bowl in Pontiac, Mich.

The MAC also became a non-voting member of the Bowl Championship Series (BCS), a step to include the conference in future discussions regarding the sport.

For the second time in league history, both the men's and women's basketball tournaments were held in Cleveland with each event drawing eight institutions to Gund Arena, including the women for the very first time.

The men's tournament, shattered single-session and overall attendance marks in 2001, including a championship record crowd of 12,172.

The MAC is in its second year of a television agreement with ESPN. Announced on June 9, 2000, the new deal will feature over 30 football and men's basketball appearances over the terms of the deal, which ends in 2003. Highlighting the programming agreement are exclusive national rights to both the MAC Football Championship Game and the MAC Men's Basketball Championship Game, as well as a minimum of five regular-season football games and nine regular-season basketball appearances over the next three years.

In the first year of the television deal, the MAC played its first-ever over-the-air broadcast on ABC -- the MAC Football Championship game -- and also made nine national appearances on ESPN, ESPN2 and ABC.

The Mid-American Conference was founded as a five-school league on February 24, 1946 in Columbus, Ohio with Ohio, Butler, Cincinnati, Wayne State and Western Reserve admitted as charter members.

The Mid-American Conference, which now has 13 schools, consists of the University of Akron (joined in 1992), Ball State University (1973), Bowling Green State University (1952), University at Buffalo (1998), Central Michigan University (1971), Eastern Michigan University (1971), Kent State University (1951), Marshall University (1954-69, 1997), Miami University (1947), Northern Illinois University (1975-86, 1997), Ohio University (1946), University of Toledo (1950) and Western Michigan University (1947).

With the addition of two schools in 1997 and a third in 1998, the conference, which is the nation's largest I-A league with 13 member institutions, divided into two divisions - East and West - for competition in six sports. The East consists of Akron, Bowling Green, Buffalo, Kent State, Marshall, Miami and Ohio. The West has Ball State, Central Michigan, Eastern Michigan, Northern Illinois, Toledo and Western Michigan.

The 13 member institutions have a total enrollment of better than 275,000, with individual enrollments ranging from 16,000-30,000. The MAC's overall enrollment makes it the fourth-largest conference in the United States. The 13 school's alumni number over 1.7 million.

The MAC was the first Division I-A conference to have its own Hall of Fame, and began honoring its tradition in 1988 with a Hall of Fame. From 1988 to May of 1994, a total of 52 individuals were inducted into the MAC Hall of Fame.

Over its 55-plus years, the MAC has produced a long list of great athletes and coaches from all corners of the sports world. A list that includes Olympic gold medalists, Major League Baseball, NFL and NBA standouts, PGA standouts, national-caliber game officials and Hall of Fame coaches and players.

The MAC is a presidentially controlled conference, where all major policy decisions are made by the Council of Presidents, which consists of chief executive officers of the 13 universities.

In 1946, men's basketball was the first competitive sport in the MAC, which now sponsors a total of 23 sports. Women's sports were brought into the conference's structure in 1980.

For men, championships (11) are sponsored in football, basketball, baseball, cross country, soccer, swimming and diving, indoor track and field, outdoor track and field, wrestling, golf and tennis.

For women, championships (12) are sponsored in basketball, softball, volleyball, cross country, field hockey, golf, soccer, swimming and diving, gymnastics, indoor track and field, outdoor track and tennis.

Pontiac Silverdome - Home of the Motor City Bowl

MOTOR CITY BOWL

The Motor City Bowl will again feature teams from the Mid-American Conference and Conference USA.

The fifth edition of the bowl game will be played Dec. 29, 2001, at noon in the Pontiac Silverdome. The contest will be broadcast live on ESPN.

Under the direction of former Michigan State University head football coach George Perles, the Motor City Bowl has teamed with the MAC since the Bowl's inception in 1997 to feature some of the nation's top players in a highly competitive postseason environment.

Stars and spectacular performances have emerged from the Motor City Bowl's December competition, including John Avery of Ole Miss; Randy Moss, Chad Pennington and Doug Chapman of Marshall; and Chris Redman of Louisville.

Perles, the bowl's Chief Executive Officer, and Ken Hoffman, Executive Director, have secured sponsorship from the Big Three Automakers – Ford, Daimler Chrysler and General Motors.

The MAC and the Motor City Bowl have a perpetual contract assuring the conference and the Bowl of an affiliation for as long as the bowl and the conference both exist.

Played at the Pontiac Silverdome, also home of the National Football League's Detroit Lions, the Motor City Bowl is easily accessible to MAC fans and alumni.

GMAC BOWL

With 2001 marking its third season, the GMAC Bowl (previously the Mobile Alabama Bowl), in April 2001, signed an agreement with the Mid-American Conference to provide the top selection from the league this year to face the No. 2 choice from Conference USA in the annual post-season holiday bowl game. Thus, for the first time in the league's 55-year history, two Mid-American Conference football teams will be playing in bowl games.

The inaugural Mobile Alabama Bowl in 1999 featured TCU stopping East Carolina 28-14. Last year's contest had the Horned Frogs dropping a 28-21 decision to Southern Miss before a capacity crowd of 40,600. This year's GMAC Bowl game will be played on Wednesday, December 19, at 7:00 p.m. in Mobile's Ladd-Peebles Stadium and the game will be televised on ESPN2.

Several events add a festival atmosphere to the game itself. Among them are a Mardi Gras Parade and Block Party the evening prior to the game, a Mayor's Luncheon (Dec. 18), an FCA Breakfast (Dec. 17), the Coors Classic basketball doubleheader (Dec. 15) and a Mobile Mysticks hockey game (Dec. 17).

In an effort to help the MAC obtain a much-deserved second bowl tie-in, the Motor City Bowl has agreed to allow the GMAC Bowl to make the first selection from the MAC in 2001. During its first two years, the bowl paired a Western Athletic Conference selection to play the C-USA representative.

FALCON HISTORY

BGSU FOOTBALL HISTORY

Since Frederick G. Beyerman, an instructor in the physical education department and first athletic director, announced in July, 1919 that Bowling Green State Normal College would field an intercollegiate football team, a rich tradition has developed.

From that very first team, to the first squad to go unbeaten in 1928, to the first perfect record of the 1959 national college division champions, to, most recently, a run of four bowl appearances in 11 years.

From former head coach Warren Steller, to Max Minnich, the first BGSU player to be drafted by a professional team, to Fred Durig, the first All-America selection, to legendary head coach Doyt Perry, to Paul Miles, the only football player ever to have his jersey retired, to Dave Preston, the career rushing leader, to record-setting quarterback Brian McClure, to new head coach Urban Meyer.

The Bowling Green State University football program has a tradition as rich as any in the Mid-American Conference, and many programs nationally.

Since 19 of the 30 males enrolled at Normal College banded together to form that first team, many different people, players, and games have combined to mold the lore of football at Bowling Green State University.

The following paragraphs will touch on many of the people and games which carved the Falcon football history.

The program got off to a rocky start losing its first seven games played.

Franklin Skibbie scored the first touchdown with BG's only points in the 10-6 loss to Findlay in the 1920 season opener.

That team would post a 7-0 win over Kent State Normal College (Kent State) in the season finale to record the first win.

The 1921 squad was the first to win a conference title capturing the Northwest Conference championship with wins over Defiance, Findlay, and Toledo. BG posted a shutout of Findlay, scoring a school-record 151 points in one of the most talked-about games in school history. In the season opener against Kent State, played behind what is now Ridge Street School, the Falcons played possibly the quietest game in school history when all fans were prohibited from making noise because of an illness in the neighborhood.

The following season, BG held its first homecoming game on Nov. 4, 1922, which was played at the Fairgrounds. Bowling Green and Toledo battled to a 6-6 deadlock.

A band made its first appearance at a BGSU football game in 1923 under the direction of E.C. Powell. After having a different coach in each of its first five seasons, Warren Steller was selected to coach the 1924 squad, the beginning of a very successful 11-year tenure, the second-longest in school history. Steller was the first BGSU head coach to have an assistant when Paul Landis was hired in 1925.

1919 - First BGSU Football Team
Seated (l to r): Claitus Stough, Lester Stough, Tom Noyes, Lawrence Johnson, Dallas Lawrence, Kenton Moore, Ralph Schaller, head coach John Stitt. Middle row (l to r): Herbert Gillespie, Dallas March, Robert Vail, Orville Raberding, Dale Treese (Capt.), Ivan Lake, Gurney Fry. Standing (l to r): Charles Clucas, Royal Chamberlain, Clive Treece, Frank Clarke, Herbert Troyer.

Led by Chet Chapman, the first BG player to earn First Team All-Ohio honors, the 1928 team posted the first unbeaten record while allowing just 18 points in seven games.

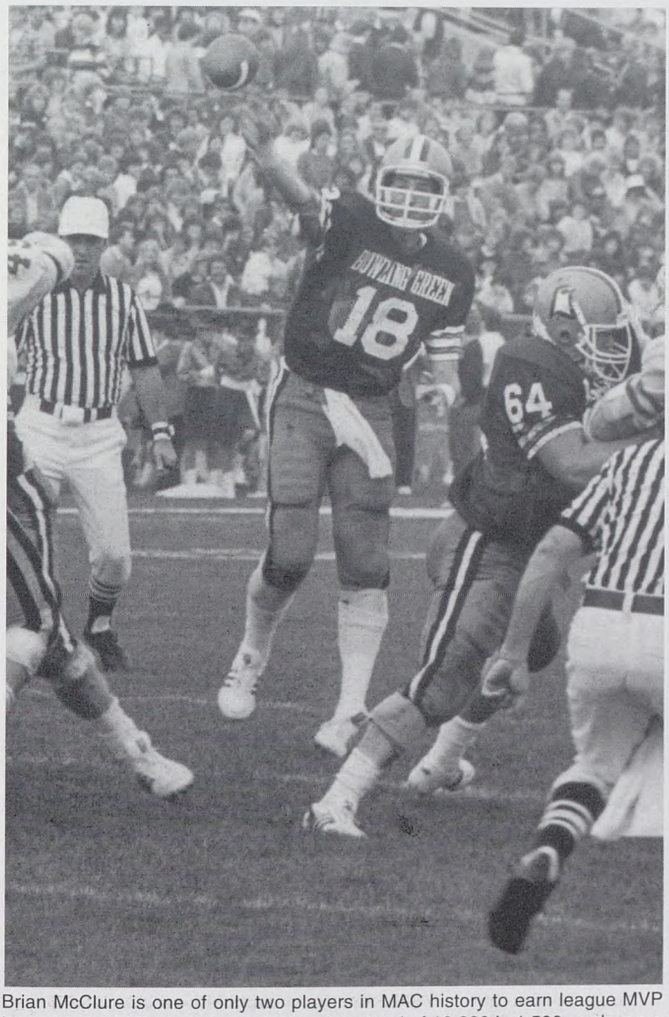
In 1936, the federal government offered to help Bowling Green financially in the construction of a new football stadium and the Trustees accepted the offer. University Stadium was dedicated on October 23, 1937 and served as the home of Falcon football until 1966 when Doyt L. Perry Stadium was built. University Stadium was located in what is now the center of campus directly west of Jerome Library.

After playing mostly "local" teams previously in its history, the 1940 team made the longest trip in school history to that time to play Eastern Kentucky, a trip of approximately 400 miles.

In 1941, Robert Whittaker was named the head coach at Bowling Green after compiling an 11-year record of 89-19-2 at Sandusky High School. Whittaker's first of his 14 teams (the longest tenure in school history) tied Case Western Reserve for the Ohio Conference title and was thought to be one of the best teams ever, scoring 173 while allowing just 40.

After back-to-back losing seasons in 1953 and 1954, Doyt Perry began his legendary career as the Falcon head coach in 1955 and made an immediate impact. BG posted a 7-1-1 record, scoring 224 points while allowing only 53. This came on the heels of a 2-7 record the previous season.

One of the most significant wins in school history was the 17-13 victory over 18th-ranked Purdue in 1972. A fourth quarter field goal by Don Taylor was the difference for Coach Don Nehlen and his Falcons.



Brian McClure is one of only two players in MAC history to earn league MVP honors twice. His career passing yardage total of 10,280 is 1,500 yards more than any quarterback in MAC history.

Perry, whose teams never lost more than two games in any of his 10 seasons, led his 1959 squad to the first perfect record in school history at 9-0-0. In the process, the Falcons were named the mythical small college national champions by the Washington, D.C. Touchdown Club. BG's closest game that season was a Mid-American Conference victory at Ohio University by a 13-9 count to wrap up the perfect season and national honor.

The following season, BG came within one game of repeating as national champions losing only a 14-7 decision to Ohio University at home as the Bobcats claimed top national honors.

In 1961, Bowling Green played in its first bowl game, the Mercy Bowl at the Los Angeles Coliseum. The game against Fresno State was played to raise money to help defray the expenses of the families of 16 members of the Cal Poly San Luis Obispo football team who perished in a plane crash shortly after takeoff from Toledo Express Airport after a 1960 game against BG. The game netted $170,000 for the memorial fund.

The arrival of a skinny, much-heralded quarterback from Ravenna, Ohio in 1982 signaled the beginning of an 11-year period in which the Falcons would make four bowl appearances.

The quarterback was Brian McClure and all he would do in the next four seasons was lead the Falcons to a 34-12 record, a 19-1 record at home, two bowl games, and become only the second quarterback in NCAA history to pass for over 10,000 yards.

He became the starter in the third game of his freshman season, and despite missing the last two games of the regular season, he became the first freshman to be named the first team all-league quarterback.

He would rewrite the BG and MAC record books before his career was over, setting five NCAA records as well. McClure still holds numerous school and MAC records.

Most recently, in 1991, Gary Blackney was tabbed as the 14th

head football coach, and much like the arrival of McClure, he made an immediate impact on the program.

In his first season, he took a team which compiled a 3-5-2 mark the previous season and molded them into an 11-1 squad, going undefeated in the MAC while winning the program's first bowl game.

The following season was more of the same as the Falcons were again perfect in league play and a win over Nevada in the first Las Vegas Bowl made it back-to-back bowl victories.

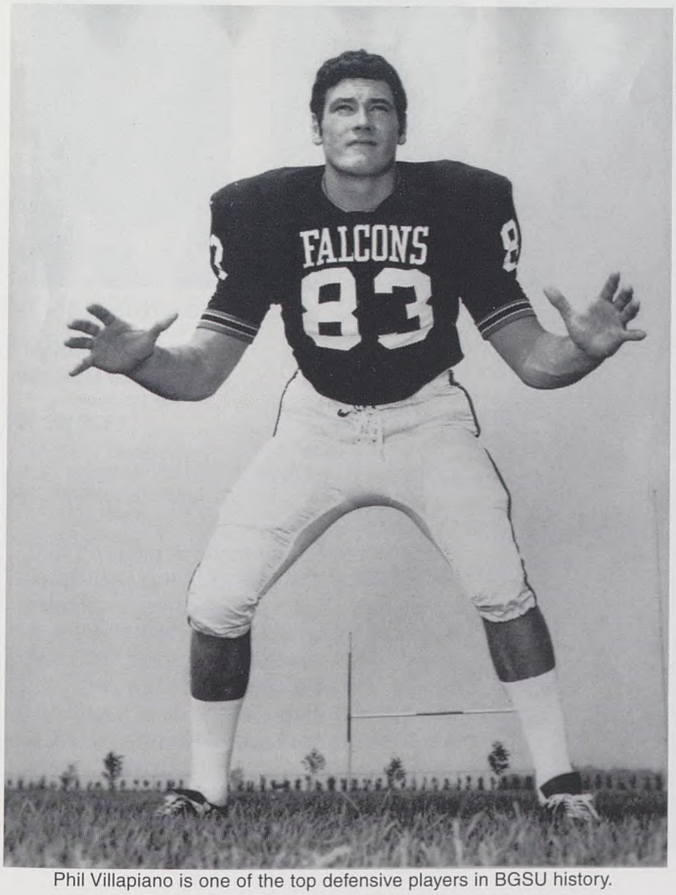
The 1993 squad would extend the conference winning streak to a league-record 19 games while going unbeaten in the first 22 MAC games of Blackney's tenure.

The 2001 team will look to add another chapter to the BGSU football storybook.

Paul Miles is second on the BG career rushing list with 3,238 yards while he is also the only football player to have his number retired. At the time of his graduation, he was only the third running back in NCAA history to rush for 1,000 yards in three consecutive seasons.

The Mid-American Conference title won by the 1991 team was the first of two consecutive championships. The 1991 team won all eight of its MAC games, the first of what would turn into a league-record 19-game winning streak.

Erik White was the Las Vegas Bowl MVP in 1992.



Phil Villapiano is one of the top defensive players in BGSU history.

In a one-time game to help defray the expenses (burial and medical) of families of the 16 members of the Cal Poly San Luis Obispo football team who perished in a plane crash, Oct. 29, 1960, shortly after takeoff from Toledo Express Airport, Bowling Green and Fresno State, the undefeated champion of the California Collegiate Athletic Association, met at the historic Los Angeles Memorial Coliseum.

Playing before its largest crowd in school history, the Falcons, six-point favorites, were guilty, uncharacteristically, of six turnovers, which was the difference in the game.

BG's defense, which was ranked fourth in the nation, yielded 468 yards, 196 more than it had given up to any opponent during the season.

Quarterbacks Beau Carter and Jon Anabo were thorns in BG's side all day passing for 368 yards and two touchdowns. Carter ran for two scores, also.

BG scored its only points early in the second stanza on the two-yard run by Ray Bell which was set up on a long pass play between Larry Smith and quarterback Jim Potts.

BG fumbled on its next two possessions with FSU turning the second miscue into a touchdown on a long pass play. Bowling Green did have a pass dropped in the end zone as the first half ended which would have given them the lead.

Fresno State then scored 1:44 apart midway through the third period to put the game away, the second score set up by a fumbled snap on an attempted punt.

The contest netted $170,000 for the memorial fund which aided the survivors and the relatives of the victims of the plane crash. Cal Poly SLO had played at Bowling Green the afternoon before the crash.

After a full week of events leading up to the meeting with the Pacific Coast Athletic Association champion Fresno State, the Falcons entered the game against the Bulldogs a two-touchdown underdog.

The Falcons also had to contend with a partisan sea of red squeezed into Bulldog Stadium, the home of Fresno State.

But, the Falcons drew first blood converting a Jac Tomasello interception on the final play of the first quarter into the first touchdown of the game, a Chip Otten four-yard run capping a 48-yard drive. The Falcons took a 14-0 lead to the locker room after driving 73 yards on their next possession. Sophomore quarterback Brian McClure con-

nected with John Meek on the scoring play.

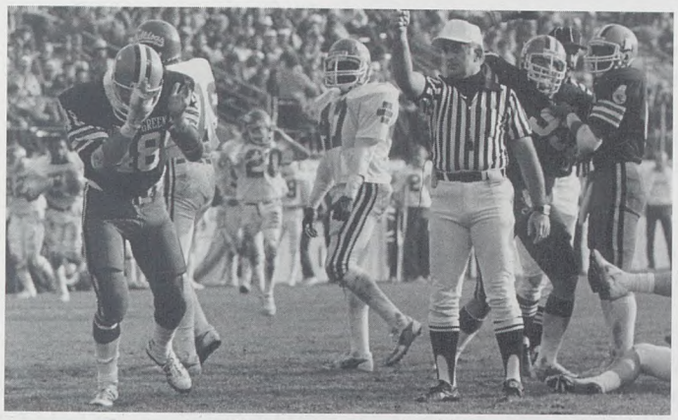
BG looked to be in the driver's seat after McClure connected with Shawn Potts from five yards out in the third stanza. But, Fresno State answered BG's score with their first of the contest later in the quarter.

Bowling Green came right back as Potts picked up a fumble by receiver Greg Taylor at the five-yard line and ran it in to put the Falcons back up by three touchdowns.

With Fresno State pinned back on its own 20-yard line and facing a third-and-ten, a Falcon stop might have put the final nail in the Fresno State coffin. But, FSU gained 15 yards on the third-down play and the comeback was on.

With future NFL receiver Stephone Paige running and catching a pass for a touchdown, FSU closed to within six points with three minutes left. BG used up just 1:05 of the clock on its next possession and FSU moved 45 yards in eight plays with Jeff Tedford finding Vince Wesson over the middle with 11 seconds left. Scott Darrow's PAT was the deciding point.

BG gained just 26 yards on nine plays in the fourth quarter while FSU gained 220 of its 453 yards in the final 15 minutes.



This third quarter fumble recovery by Stu Tolle set up the third Falcon touchdown giving the Falcons a 21-0 lead over Fresno State in the 1982 California Bowl.

The tone for what was expected to be one of the most evenly-matched California Bowls, came earlier in the week when BGSU head coach Denny Stolz told the team before their Wednesday practice he would be leaving after the bowl game to accept the head coaching job at San Diego State.

An indication of what was ahead for the Falcons in the game came early in the first quarter when, trailing 7-0, they drove to the Bulldog one-yard line where they fumbled the ball away in the end zone, the first of five on the day and the same number they had committed in the first 11 games of the season. Fresno State would score the next 37 points before BG would hit paydirt.

Wide receiver Mark Szlachcic (#84) had 11 receptions, two for touchdowns, for a school-record 189 yards in the 1991 California Bowl.

Not even being a double-digit underdog against Fresno State could keep the Falcons from completing its storybook season under first-year head coach Gary Blackney.

And the script for this game was all Hollywood.

The first quarter would have led the fans to believe it might take 40 or 50 points to win the game as the Falcons scored touchdowns on their first two possessions and the Bulldogs would get one of those back before the quarter was over.

The scoring continued early in the second stanza as BG's Erik White and Mark Szlachcic hooked up for a second time. But, FSU came right back on their next possession with Anthony Daigle running 57 yards to cut the deficit in half going to the lockerroom.

The defenses took over in the third quarter, each allowing just 65 yards total offense. Late in the quarter, FSU placekicker Derek Mahoney missed a 26-yard field goal, the most significant scoring opportunity of the quarter.

BG scored early in the final stanza moving 80 yards after the missed field goal to build another 14-point lead.

FSU came right back to score driving 71 yards as quarterback Mark Barsotti completed five-of-six passes, connecting with tight end Marty Thompson from five yards out.

After three changes of possession, FSU started the final drive of the game from their one-yard line, after an interception, with 2:29 remaining.

FSU used its last time out with 24 seconds left and the Bulldogs just nine yards away from the needed touchdown. After a running play for six yards and two incomplete passes, the final play of the game would determine the outcome with three seconds left.

The BG defense rose to the occasion covering all FSU receivers and Barsotti threw incomplete with BG linebacker Kevin O'Brien pressuring. It was BG's first bowl win.

BG won its 11th game making Blackney one of only three coaches in NCAA history to win 11 games in their first season as a head coach.

In the inaugural Las Vegas Bowl, which replaced the California Bowl, the Falcons faced the high-powered offense of the University of Nevada.

In a game in which the punting game took center stage, the Falcons won the first half and Nevada the second half, but a late BG touchdown proved to be the difference.

The Falcons scored on their first four possessions to grab a 28-3 halftime lead. BG had 267 first-half yards to just 116 for the Wolfpack as they had an 18-6 edge in first downs.

In the second half, it was Nevada quarterback Chris Vargas' turn. He had engineered six Nevada comeback victories in three years coming off the bench, including an NCAA-record 35-point comeback against Weber State.

Nevada scored three touchdowns in the third quarter with punts of five and seven yards by BG setting up the first two scores. The Wolfpack's third score was set up by a high snap from center on a BG punt.

Nevada finally took the lead with 12:41 left in the game and looked to possibly put the game away with a field goal with 7:13 left, ending their run of 31 unanswered points.

Bowling Green then moved to the Nevada six-yard line before turning the ball over on downs. After holding the Wolfpack to one first down, Nevada punter Steve Lester had the center snap go through his hands setting up the Falcons at the Wolfpack 15-yard line with 1:45 remaining.

A 12-yard Erik White to Mark Szlachcic connection on first down put the Falcons on the three-yard line. After two runs and a pass did not net any yardage, White found Dave Hankins alone in the back of the end zone on fourth down with 22 seconds left. Placekicker Brian Leaver made the PAT for the winning points and BG's second consecutive bowl win.

Zeb Jackson gave BGSU a 28-7 lead against Nevada.

DOYT L. PERRY

1988 College Football Hall of Fame Inductee

The year 1988 will be fondly remembered by many who are associated with the football program at BGSU. That year Doyt L. Perry, a former player, coach and administrator was recognized by the National Football Foundation with its top honor, induction into the College Football Hall of Fame.

Perry traveled to New York in December of 1988 for the Foundation's Hall of Fame dinner and was officially enshrined into the College Football Hall of Fame in June, 1989, in ceremonies held at Kings Island, Ohio.

Perry's association with BGSU dates back to the 1920s when he lettered nine times in three sports (football, basketball and baseball). The Croton, Ohio native received his degree in 1932. He began coaching on the high school level before becoming an assistant at Ohio State in 1951.

Perry returned to his alma mater in 1955, leading the football program to a 77-11-5 (.855) record over the next 11 years. His teams won five Mid-American Conference titles and one national college division championship in 1959. Perry's winning percentage ranks fifth on the all-time NCAA list.

Perry, who retired from coaching in 1964 to become BGSU's athletic director, developed such outstanding coaches as Bill Mallory, Don Nehlen, Larry Smith, and the late Dave McClain. Many more of Perry's former assistants and players have gone on to enjoy success in the coaching profession.

Perry passed away in February of 1992. At his memorial service former Michigan coach Bo Schembechler, an assistant on Perry's 1955 staff, said, "I don't believe I can name a coach, anywhere, anytime, anyhow, who did it better than Doyt Perry."

A documentary on Perry's career was released in May of 1998. It was produced by WBGU-TV.

ALMA MATER

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

FIGHT SONG

Forward Falcons, Forward Falcons
Fight for victory,
Show your spirit, make them fear it
Fight for 'ol Bee Gee.

Forward Falcons, Forward Falcons
Make the contest keen,
Shout out the fame of our mighty name
And win for Bowling Green!

AY ZIGGY ZOOMBA

Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Ze
Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Zi
Roll along you BG warriors
Roll along and win for BGSU

Ay Ziggy Zoomba is Bowling Green's unofficial fight song. Gil Fox, an Air Force bombadier in World War II stationed in Italy, brought a loose translation of a Zulu war chant back with him, and since its introduction in 1946 to a campus spirit assembly, it has kept its place in BGSU history. The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

WHY ORANGE AND BROWN

Orange and brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a women's hat on a bus to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

RETIRED JERSEY

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

PEACE PIPE AWARD

The Peace Pipe is a traveling award that goes to the winner of the annual gridiron battle between Bowling Green and Toledo. The Peace Pipe tradition actually began on the basketball court during the 1947-48 season. At that time, the teams exchanged a six-foot long wooden peace pipe. The original basketball Peace Pipe disappeared, so, in 1980, the Peace Pipe was reinstated for football with former UT football player Frank Kralik creating the present trophy. Today's Peace Pipe is a smaller version of the original pipe, resting atop a trophy. Bowling Green now has a 34-27-4 edge in the series.

FRIEDA & FREDDIE FALCON

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is "beheaded" at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

ANNIVERSARY AWARD

The Anniversary Award is a traveling award that goes to the winner of the football game between Bowling Green and Kent State. Established in 1985 by the respective alumni departments at BGSU and KSU, the Anniversary Award commemorates the founding of BGSU and KSU in the year 1910. BG defeated KSU 18-11 last year and leads the all-time series with its "sister school," 48-15-6. BGSU and KSU square-off on October 6 this season. KSU, which has been BG's opponent in more football games than any other, 69 contests, has won the award only three times (1988, 1997 and 1999) in the last 15 years. Bowling Green has won 24 of the last 27 meetings between the two schools.

WHY THE FALCONS?

The 2001-2002 athletic year marks the 75th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname after reading an article on falconry. Lake, managing editor and sports editor of the *Sentinel Tribune* in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."

PERRY STADIUM

A large, raucous crowd enjoyed BGSU's 1999 win over arch-rival Toledo under the lights.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 36th year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982. This season will mark the first with permanent lighting. One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium set the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,110, an average of 22,422.

In 1994, BG fans bettered the mark of 1985 as 114,802 fans, an average of 22,960, attended the five home games.

Perry Stadium is more than just a football facility. The east side of the stadium includes locker rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift 12 years ago. A physical fitness center/weight room opened its doors to all intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium are the Falcon Club offices and clubhouse, the men's and women's soccer and track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 20th year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGSU fans with the best view of the game. The President's Box, located at the top of the east side of the stadium, provides luxury seating for President Sidney Ribeau, his guests, and other supporters of Falcon football.

The construction of elevators on both sides of the stadium, completed in early 1998, has made the stadium more accessible for all fans. Renovations to all boxes on both sides and the stadium club have taken place over the last few years making for a more "fan-friendly" atmosphere. Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 67 percent of their home games, compiling a 110-56-6 record in the 172 games played at Perry Stadium.

In the event that a BGSU player does not hold a record, the top Falcon performance is also listed.

Over the last 18 seasons, Bowling Green is 66-23-4 at home for a .710 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fifth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame), Frank Leahy (Notre Dame), and Larry Kehres (Mount Union) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years (1965-71) after stepping down as football coach.

The football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Present for the ceremony were (l-r) Perry's children D.L., Judy Perry McClain, David and Doyt's wife Loretta. They are joined by John Mahaney, former president of the Board of Trustees, former University President Paul J. Olscamp and former Athletic Director Jack Gregory.

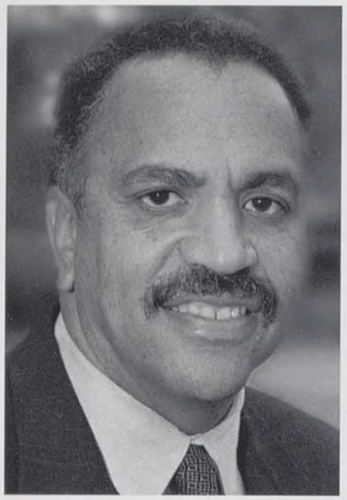
The Administration



DR. SIDNEY A. RIBEAU
PRESIDENT

Since becoming Bowling Green's ninth president six years ago, Dr. Sidney A. Ribeau has worked to mobilize faculty, staff and students in realizing a new vision for the University. That vision is to make BGSU "the premier learning community" in Ohio and one of the best in the nation.

"Everyone's participation is needed in order for us to define the nature of the community that we want to become and to contribute to the shaping of our common future. We can accomplish a great deal by creating an environment in which people trust each other and work together in a collaborative manner," Dr. Ribeau told the University community when he arrived.

This collaborative style, one that emphasizes the value everyone brings to the team, is the hallmark of his and the University's recent successes.

Using a systems approach to management, the president has mobilized people around issues vital to the lifeblood of the institution, evidenced by the creation of groups such as the Universitywide enrollment-management team. The team has developed successful long-range recruitment and retention plans featuring a variety of programs designed to assist first-year students in adjusting to college life. In 1999-2000, about half of all first-year students participated in one of those programs designed to ease new students' transition into college.

With these successful enrollment initiatives have come opportunities to hire new faculty and staff and to make $90 million in capital improvements on campus, including an ongoing $34 million project to renovate and enlarge the Student Union. There also have been significant gains in annual giving to the University during the past five years. For the 2000-01 fiscal year, total giving to BGSU surpassed $10 million, including nearly $5 million in annual giving and slightly more than $2 million in bequests.

Academic programs have also been strengthened under Dr. Ribeau's leadership. Some, such as industrial/organizational psychology, higher education and student affairs, broadcast journalism, philosophy and chemistry, are nationally ranked. The University this year (2001) added a master's degree program in criminal justice, filling a need for such a program in northwest Ohio, and the year-old MFA program in computer art further strengthens the University's computer art program. With over 175 students in the major and state-of-the art equipment, BGSU has become one of the leading programs in the nation for studying computer art and animation.

"Our success is due to the president's vision. He identified the demand for this field of study and put resources into a program that can be and is successful," said Bonnie Mitchell, assistant professor in the School of Art and an expert in computer art.

Dr. Ribeau's ability to inspire people, set attainable goals and provide leadership extends to helping others in the University community learn these same skills. The President's Lecture Series, which focuses on student leadership development, and the President's Leadership Academy, a leadership development program for select students, both have been created through his efforts.

Not content with nurturing academic success alone, Dr. Ribeau has made values education a cornerstone of life at BGSU. His agenda for the University is to create a "principled community" of concerned citizens who will use their strong moral ethics in school and, later, in their professional and personal lives to help further the country's democracy. This means infusing the campus culture with the University's core values, making explicit in basic curricula those values, and modeling those beliefs in everyday life by faculty and staff alike.

An important aspect of ethical leadership, Dr. Ribeau believes, is that the University not be perceived as the proverbial "ivory tower," but that it be an engaged university-engaged with the community, with the schools and with businesses to help all citizens achieve success in life. Two of his initiatives in this regard are the Center for Transformative Education and BGSU Partnerships for Community Action. Both organizations are predicated on the belief that the University must act in collaboration with school and community partners, drawing upon available knowledge and wisdom, to effect positive change.

The president also leads by listening. Frequently he meets with student and faculty groups, alumni and community leaders, legislators and other government officials.

Dr. Ribeau is especially popular with students. "At most universities the students don't even know the name of the president, but here everyone knows Dr. Ribeau. We can feel the conviction in his voice when he talks about his vision. He doesn't lecture us; he listens. He has given us something to believe in," said Rebecca Nieto, a 2001 graduate from Paulding, Ohio, who was active in student governance.

Dr. Ribeau also has had a key role in promoting diversity issues in higher education. In addition to championing diversity initiatives at BGSU, he has participated in former President Clinton's nationwide dialogue on race relations. A staunch advocate for developing in students "good hearts as well as able brains," Dr. Ribeau has served on the faculty for the National Institute on College Student Values and is on the advisory board of the new electronic "Journal on College and Character."

He has also served as a guest leader at the LeaderShape Institute, the flagship program of LeaderShape Inc., a nonprofit organization committed to developing young adults who will lead with integrity. He was a contributor to Leadership Inc.'s Visions and Values 2000, which offers a series of essays focusing on values, vision and leadership, and is a regular contributor to area newspapers in the opinion-editorial pages on issues in higher education.

A recognized advocate of higher education at state and national levels, Dr. Ribeau is a member of the State Funding Commission for Higher Education, the American Council on Education (ACE) Fellows Selection Committee, and the ACE Commission on Leadership and Advisory Council. He is involved in the American Association of State Colleges and Universities (AASCU) and the National Association of State Universities and Land Grant Colleges (NASULGC).

The president is an expert in intercultural communication, African-American culture, relational communication, public discourse and race relations. His recent publications include "Preparing Our Students for the New Millennium" in Diversity Exchange, a magazine of Florida International University, and a research article on the advancement of African-American senior administrators at predominantly white institutions, currently in press with Negro Education Review.

Raised in Detroit, Dr. Ribeau received his bachelor's degree from Wayne State University in 1971. In 1996 WSU honored him with a Distinguished Alumnus Award. He earned master's and doctoral degrees in interpersonal communication from the University of Illinois, Urbana-Champaign, in 1973 and 1979, respectively.

He began his teaching career in 1976 as a professor of communication studies at California State University, Los Angeles. Eight years later, after being honored as an outstanding teacher and student adviser, he was named chair of the university's Pan African Studies Department. He held that position until 1987, when he was named dean of undergraduate studies at California State University, San Bernardino. Three years later, he became dean of the College of Liberal Arts at Cal Poly's San Luis Obispo campus. In 1992 he was named vice president for academic affairs at Cal Poly Pomona, a position he held until coming to Bowling Green.

A firm believer in University-community involvement, Ribeau is a member of the chambers of commerce for both Bowling Green and Toledo and serves on the boards of United Way, the Greater Toledo Urban League, the Toledo Symphony Orchestra, the Andersons Inc., a Maumee, Ohio-based grain merchandising firm, and Worthington Industries.

PAUL KREBS
DIRECTOR OF ATHLETICS

Paul Krebs was named the 11th athletic director at Bowling Green State University on March 15, 1999, and has enthusiastically molded a vision for his alma mater as it enters a new era of intercollegiate athletics.

Under his direction, the BGSU athletic department continues to offer more opportunities for men and women (22-sports) than any other institution in the Mid-American Conference. He has helped bring head coaching salaries in-line with other peer institutions and has been praised for identifying and hiring dynamic, young coaches, and retaining some of the most respected coaches in their sports, who look to lead the Falcons into the new century.

One of Krebs' first tasks was to maximize the department's revenue opportunities. He has been instrumental in creating a partnership with CAVS/Gund Arena properties in Cleveland to market BGSU athletics on a full-time basis. This arrangement is the first of its kind in the MAC and already has paid dividends. This year BGSU has increased the reach of its television coaches shows by aligning itself with Fox Sports Ohio.

Krebs also fostered a relationship with ESPN Regional television which saw BGSU make 12 appearances in football and men's basketball, including the Falcons first national television appearance in football since 1992.

Under his direction, BGSU athletics now manages all of its radio and television sponsorship in-house and manages its own website with the FansOnly Network and oversees the University's licensing program.

He also has helped lead the charge to improve facilities including the installation of permanent lighting at Doyt Perry Stadium in August, 2001, and the renovation of the locker rooms at the BGSU Ice Arena. Other improvements, such as new bleachers and a press box at Warren Steller baseball field are scheduled to be completed in the near future.

Before coming to BGSU, Krebs had served as the senior associate athletic director at The Ohio State University since September of 1993.

In that capacity, he managed the daily operation of the department and coordinated and provided oversight for the departments $58 million budget, directed its long-range financial planning and budget oversight/reporting programs.

He was the department's main liaison when dealing with engineers, architects, and financial planning committees.

In addition to overseeing the ticket office, athletic business office, information systems, facility operations and maintenance areas, he was the point person in the planning and design of Ohio State's $105 million Jerome Schottenstein Center, the $150 million renovation of storied Ohio Stadium, the Jesse Owens Stadium, and the $5 million Bill Davis Stadium for baseball. He was also actively involved in fundraising and securing corporate sponsorship for the new facilities.

The OSU Ice Rink and the 36-hole nationally-acclaimed OSU Golf Course also fell under his administrative areas of supervision. He also coordinated game management, including crowd control and game-day timing of football and men's and women's basketball.

Krebs chaired several committees within the Buckeye athletic department and played a key role in attracting some of the nation's premier entertainers to Ohio Stadium and other OSU venues.

He also served as meet director for the NCAA Div. I Golf Championships in 1987 and 1995 and the regional championships in 1993.

Krebs was active in the Columbus community, routinely assisting such programs as Easter Seals, United Way, and the Special Wish Foundation. He was also involved in the Columbus chapter of the National Football Foundation.

He went to Ohio State in 1985 as the ticket director and quickly implemented a new computer program that streamlined the ticket office while improving efficiency. He was named assistant athletic director in 1987. In 1991, he was promoted to assistant athletic director for administration, a position he held until 1993.

He began his professional career as the assistant ticket director at Oklahoma in 1981 before being promoted to the ticket director in 1983, a position he held for two years before going to Ohio State.

Paul and his wife, Marjori, have two children, a daughter, Taylor, 12, and a son, Jacob, 8.

The Canfield, Ohio, native earned a bachelor's degree in business from BGSU in 1978 and a master's degree in athletic administration at Ohio State in 1981.

One of Paul Krebs' many accomplishments in his tenure was to help the BGSU football team make its first national television appearance since 1992.

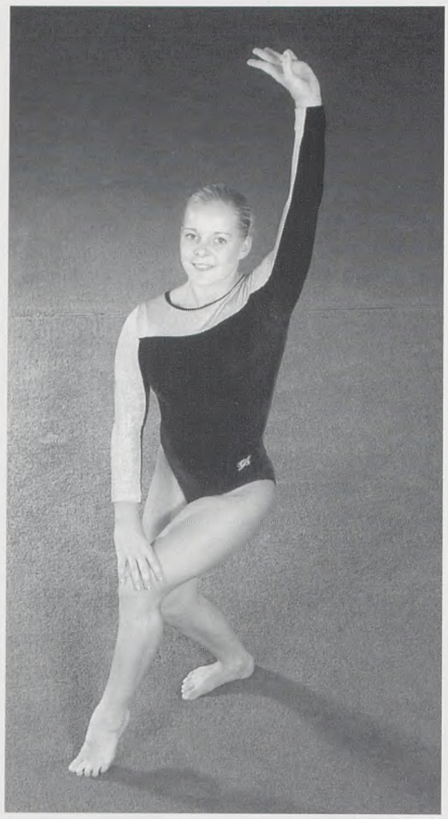
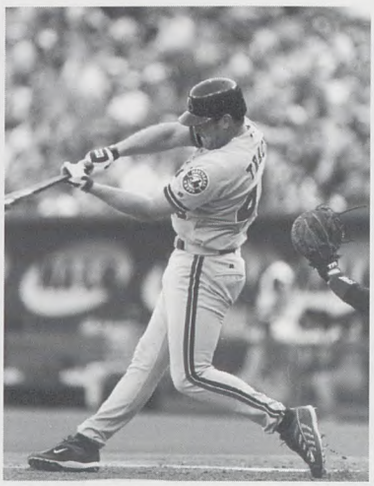
THE BEGINNINGS OF GREATNESS--BGSU AND ATHLETICS

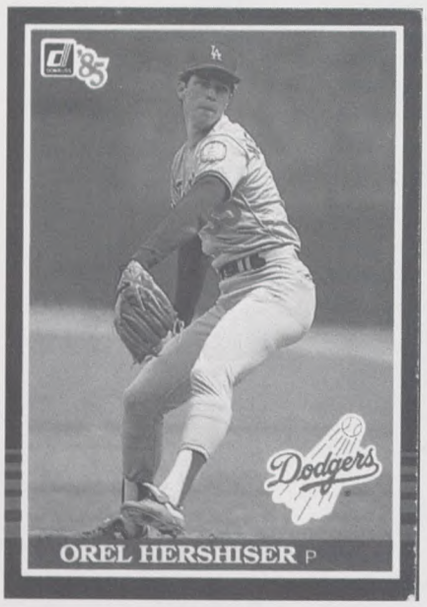
Rob Blake (1987-90) was a member of the 2001 Stanley Cup Champion Colorado Avalanche. He earned the Norris Trophy as the best defenseman in the NHL in 1998.



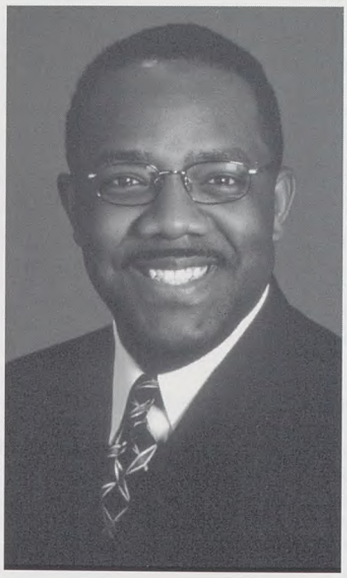
Marny Oestreng won the 1999 NCAA Championship in the floor exercise. A senior-to-be, she is a three-time MAC all-around champion.



Bowling Green native Andy Tracy (1993-96) is currently a member of the Montreal Expos.



Orel Hershiser (1977-79) was the last BGSU pitcher to hurl a nine-inning, complete game no-hitter (1979). The 1988 World Series MVP and Cy Young award winner originally came to BGSU to play baseball and hockey.



ESPN television and radio personality Jason Jackson is a 1994 graduate of BGSU.

Antonio Daniels (1993-97) was the second-highest NBA draft pick (1997, 4th, Vancouver Grizzlies) ever produced by the Mid-American Conference. He helped the San Antonio Spurs to an NBA title in 1999.

Bernie Casey (1958-60) was a first round draft choice of the San Francisco 49ers in 1961. He played from 1961-68 with the Los Angeles Rams and later embarked on a career in acting with credits including *Brian's Song.*

Roger McDowell (1980-82) pitched for five major league teams from 1985-96. He was a member of the 1986 World Champion New York Mets.

Nate Thurmond (1961-63) enjoyed a 12-year Hall-of-Fame career in the NBA and was voted one of the top 50 players in the history of the league in 1998. He was the second pick of the 1963 NBA draft.

Former Falcon player and head coach Don Nehlen is one of several BGSU graduates who have been a head coach at the NCAA Division I level. He retired from West Virginia following the 2000 season and left the game as the fifth winningest active coach with 202 victories.

Dave Wottle (1970-73) won the gold medal in the 800 meters in the 1972 Olympics.

Ken Morrow (1975-79) was a member of the fabled 1980 United States Olympic hockey team which captured the gold medal. He later helped the New York Islanders to four consecutive Stanley Cup Championships from 1980-83.

Charlie Williams (1992-94) earned a Super Bowl ring with the Dallas Cowboys in 1996 when he helped them defeat Pittsburgh for the NFL Championship.
